Ron and Diane Horsfield established Sunrise Café in 1985. Today, their son’s Jim and Scott continue working and operating the Cafes in central Indiana. The first Sunrise Café was on 86th street across from Keystone at the Crossing. Jim operates the store in Carmel which was opened in 1988 and downtown Indianapolis at the Chamber of Commerce Building which opened in 2015. Scott operates the Fisher’s café plus the Uptown Café in Noblesville.

We will simply do our best, to bring the quality of our classic Sunrise breakfast and lunches from the north side to downtown Indianapolis. If you’re a first time customer, thanks for coming in, if you are a long time customer, thanks for your loyalty and support.

Call ahead seating and carryout available.
Called in carryout orders may park in 20 minute zone in front of either restaurant.
